

Motion to approve minutes from 4/11/22, Kevin Nigh, 2nd Chris Ross, vote 3/0.

Brent Goolsby- Permission to hook a tile into the Dry Fork Legal Drain: Mr. Goolsby provides a map of property along the west edge of Green Meadows addition. He has spoken to a property owner (Barbara Green Cooper) who has given permission for him to cross her property to access Dry Fork. Don Parker requests clarification as to why he is wanting to hook in. Mr. Goolsby explains he would like access this to drain a field that is always wet and to install a few perimeter tiles to create some extra lots. Taylor Sumerford, county surveyor, does believe this would help with Green Meadows drainage as there have always been drainage problems here. Kevin Nigh would like to know what size tile he is planning to install. Mr. Goolsby thought the drainage board could decide that but would plan at least 8". Mr. Goolsby would plan to make the tile possible for other people to hook into if they wished. The drainage board reviews the maps provided and discuss past drainage/ ditch work in the area, it sounds like it would be helpful to multiple people in the area. Kevin Nigh motions to approve, 2nd Chris Ross, approved 3/0.

Carmony Tile: Taylor Sumerford received a call from Mike Smith stating he thought there are 2 places that failed to be hooked into the Carmony tile. Taylor got in touch with James Ramsey who is going to investigate this. Kevin Nigh states they also added part to a structure that has been installed. There were a lot of connections made into the tile.

Clendenning Ditch: Taylor Sumerford states he left a message with Brian Mohr but does not have any new information on this project. Don Parker states the last update was regarding getting some tile delivered to the site. They are working on it and will get to it when they can as it is becoming planting time for farmers and most everyone who installs tile farms so they will not be available for a little while.

Chase Yanzer: Don Parker has still been in contact with him to try and get him the information he's wanting.

Meiks Addition: Kevin Nigh asks for Taylor to check with James Ramsey to see when he might get to the seeding and grading completed in Meiks Addition.

Adjourn.
