

Motion to approve minutes from 9/11/2023, Don Parker, 2nd Kevin Nigh, approved 2/0.

Tindall Farm Drainage: Taylor Sumerford, county surveyor, spoke with Johnathon Everhart who will be doing some drainage work for the county around the Tindall farm at 350 S and State Rd 9 after crops are harvested.

Duckworth Tile: Tony Titus presents the Drainage Board with some maps. He states this county tile runs through property he owns and needs replacing though no money has been collected on it for many years. He did get an estimate of around \$40,000 to replace it with 15” smooth tile. The possibility of vacating this tile starting at 900 N so that it can be repaired by Mr. Titus rather than the county is then discussed. Kevin Nigh states there is a process that has been followed in the past to vacate a county drain which would include holding a public hearing. Mr. Titus owns 85% of the property in that watershed, with Marlin Corwin owning the majority of the other property in the watershed. Kevin Nigh motions to set the date for a public hearing on 11/13/23 to start the process of vacating the Duckworth tile, 2nd Don Parker, approved 2/0.

Don Parker motions to adjourn, 2nd Kevin Nigh, approved 3/0.
