Spencer County Opioid Settlement Funding – Request Window Open

The **Spencer County Opioid Advisory Committee** announces the opening of the request window for Opioid Settlement funding.

The application period will be open for 30 days, beginning **April 7** and closing **May 7**.

All funding requests must be submitted through the **Spencer County Auditor's Office**. Applicants are encouraged to contact the Auditor's Office to request the required submission form.

The Opioid Advisory Committee will review all submitted requests on **May 18**. Following this review, recommendations will be presented to the **Spencer County Commissioners** at their meeting on **May 19**.

We encourage organizations and community partners working to address the impact of opioid use in Spencer County to apply.

For additional information or to request an application form, please contact the Spencer County Auditor's Office.
