

VA's sign-in changes help for Veterans

VA Northern Indiana is hosting events at our VA clinic locations to assist and inform Veterans of the changes in updating information to the va.gov sign-in through Login.gov or ID Me.

It is not a class, but provides assistance with the new sign in. Assistance will be provided on a first come first served basis.

Veterans will need a smart device that can connect to data or wifi, access to their email, a valid Driver's License or State ID, Social Security card, and/or insurance card, W-2, or valid passport.

For questions, please contact:
