## **LR 46 – AR 1(E) Caseload Allocation Plan**

A. This matter came before the Judges of the courts of record of this county pursuant to the "Order for Development of Local Caseload Plans" issued by the Indiana Supreme Court on the 16th day of July, 1999, in Indianapolis, Indiana, and the Judges of this county having met and considered that order, together with the data and advisory materials related thereto provided by the Office of Judicial Administration of the Indiana Supreme Court and those particular local factors that pertain to the efficient administration of justice, and being duly advised in the premises, now issue the following findings and rules pertaining to local caseloads of the courts of this county:

1. Based on the 2021 statistical data provided by the Office of Judicial Administration of the Indiana Supreme Court, the average weighted caseload utilization for LaPorte County Courts is 92%.
2. Consistent with the stated policy and purposes of the Indiana Supreme Court's "Order for Development of Local Caseload Plans" issued July 16, 1999, the following considerations bear import to the effective use of judicial resources and the effective access of La Porte County citizens to the Courts:
  - d. La Porte County's five courts and their companion clerk's offices are located in two separate county complexes: LaPorte Circuit Court and LaPorte Superior Court 3 at the Circuit Courthouse in La Porte, Indiana, and LaPorte Superior Courts 1, 2 and 4 located in the Superior Courthouse in Michigan City, Indiana. A distance of approximately thirteen miles separates Michigan City from La

Porte; four separate clerk's offices service the five courts, which in terms of square mileage, serve the second largest county in the State of Indiana. That geographical configuration has attendant considerations of administrative necessity for the allocation of the county's personnel, financial, and space resources; for example, the maintenance of court records in four separate clerk's offices and assignment of the clerk's personnel, the offices of both the Deputy Prosecutors and Public Defenders and assignment of their personnel, the offices of the courts' respective Probation Departments, and the warrant divisions of the Sheriff's Department are each located and based on access to particular courts on a geographical basis; likewise, those geographic considerations underlie La Porte County's Local Court rule for the assignment of criminal cases, which provides for the distribution of cases on the basis of demographic considerations and the nature of the charge. A wholesale restructuring of caseloads to provide for specialization of courts by case type is precluded by considerations of space, personnel allocation, and geography; fortunately, the present general distribution of cases generally has served the courts, its support services, and the citizens of La Porte County in an effective fashion.

- e. Complicating the configuration of the courts and matters of caseload distribution is the additional workload created by the various correctional facilities located in La Porte County that house approximately 7,000 offenders and generate a criminal caseload and unique pro se civil litigation that defies the weighted case-load study assignments of time necessary to process particular case-types.
- f. La Porte County should benefit from specialization in the handling of all Children in Need of Services and Delinquency proceedings by a single court; that caseload, with its attendant demands for interaction with a variety of social service agencies and its administration of the Juvenile Services Center, as well as the distinct need for those cases to be processed in an expeditious fashion and reviewed on a continuing basis, warrant the singular focus of one judicial officer.
- g. Similarly, the need for specialization in family issues and the existing "high volume" caseloads of LaPorte Superior Courts 3 and 4 warrant the restructuring of existing caseloads, albeit with consideration for the demographic and geographic considerations discussed herein.
- h. This plan embodies recognition of geographically-based caseloads and specialization.
- i. Currently, La Porte County's judiciary benefits from the General Assembly's addition of two non-juvenile Magistrates to its judicial workforce; the

existence of those Magistrates is recognized as the most useful tool in apportioning caseloads equitably amongst the Courts.

- j. The resources of Senior Judges provide a potential and additional vehicle for accomplishing the policy and purposes of the Supreme Court's "Order for Development of Local Caseload Plans."
  - k. This plan provides additional vehicles for the reduction in disparity of caseloads; it provides for the consensual transfer of cases between courts and provides for the Judges of the respective Courts to sit as Judge in another Court with the consent of the respective Judges.
  - l. The geographically-based distribution of criminal cases and filing patterns in civil caseloads warrant that a semi-annual review of caseload disparity be conducted by La Porte County Judges and adjustments made as needed for the efficient administration of justice.
3. Upon approval of this rule, one non-juvenile Magistrate shall continue to be assigned completely to Superior Court 4. The other non-juvenile Magistrate shall serve LaPorte Circuit Court. (\*A periodic review of caseloads by the judicial officers of this county may adjust the assignments of these Magistrates as new caseload data may demand).
  4. All juvenile matters will be assigned to the LaPorte Circuit Court. The caseload of Juvenile Magistrate shall include all Delinquency and Child in Need of Services proceedings filed in La Porte County, as well as those cases otherwise assigned to him by the Judge of the LaPorte Circuit Court.
  5. The caseloads of LaPorte Circuit Court, Superior Court 1, and Superior Court 2 shall include all new civil filings for probate, protective orders, dissolutions of marriage, paternity, custody, and/or support; the Clerk of La Porte County Courts and the deputy clerks are directed to inform litigants of the provisions set forth herein; given that the various courts of La Porte County are, by statute, courts of general jurisdiction, it is recognized that the Clerk is not empowered to prohibit the filing of a particular type of case in a particular Court; in the event a filing occurs that is not in compliance with the provisions set forth herein, the Judge of La Porte Superior Court 3 or 4 that receives that filing shall cause it to be transferred to an appropriate court.
  6. Efforts to reduce caseload disparity shall include requests to the Indiana Supreme Court for the appointment of present Senior Judges to serve various courts of La Porte County, as opposed to a singular designated court.
  7. The judicial officers of this county shall meet at least on a semi-annual basis to review the issue of caseload disparity and shall continue in the endeavor to accomplish not only a statistical parity in the respective caseloads of the Courts, but, moreover, a

caseload distribution that enhances citizen access to the Courts in a timely and expeditious manner and recognizes the particular geographic and demographic needs of the populace.

8. All criminal charges arising out of a single criminal event or instance of criminal activity shall be filed in a single Court, that Court being the appropriate Court under Local Rule 1 for the highest charge filed.
9. In cases where defendants have criminal charges in multiple Courts, the cases may be consolidated to one court with consent of the parties and approval of the Courts.
10. Small Claims filings shall be reviewed on a quarterly basis after the effective date of this revision, and if deemed necessary by a majority of judges, may be assigned to either Superior Court 3 or Superior Court 4 based upon the same line of demarcation used for the filings of criminal cases in those courts. Eviction cases will be filed in Superior Court 3 and Superior Court 4.

**ALLOCATION UNDER CURRENT PLAN**

<b>COURT</b>	<b>NEED</b>	<b>HAVE</b>	<b>UTILIZATION</b>
<b>Circuit Court</b>	<b>2.32</b>	<b>3.09</b>	<b>.75</b>
<b>Superior 1</b>	<b>1.15</b>	<b>1.14</b>	<b>1.01</b>
<b>Superior 2</b>	<b>1.23</b>	<b>1.11</b>	<b>1.11</b>
<b>Superior 3</b>	<b>1.11</b>	<b>1.06</b>	<b>1.05</b>
<b>Superior 4</b>	<b>2.06</b>	<b>2.19</b>	<b>0.94</b>
<b>TOTAL</b>	<b>7.88</b>	<b>8.60</b>	<b>0.92</b>

11. Effective January 27, 2017, Rule I(E) no longer contains a prohibition on variance greater than .40. The rule still requires that a CAP ensures an even distribution of cases between all courts of record. The Judges of the Circuit and Superior Courts unanimously agree that this current plan does provide for that even distribution. Thus, no changes from the current plan are necessary.
12. Special Circumstances. The committee shall consider in addition to the actual caseload data, any special circumstances relevant to evaluating the various caseloads of the various Courts and Judges in La Porte County. These special circumstances shall include such matters as death penalty cases, administrative and Special Judge service, availability of physical resources, and any other relevant factors.

13. Statistical Deviation. Based upon the foregoing caseload evaluation for each Court within the County, the committee shall determine whether or not a sufficient statistical deviation occurs between the Courts which would warrant a transfer of cases within La Porte County from one court to another or a limitation during the following year upon what case types may be filed in certain courts or before certain Judges in order to more effectively and efficiently provide services to the citizens of La Porte County.
  
14. Caseload Allocation Plan and Transfer of Cases. In the event the committee determines a significant statistical deviation exists and is likely to continue to exist the following year, the committee shall unanimously adopt a written plan providing for the assignment of cases and/or for the transfer of cases from one Court to another in order to more equally distribute cases among and between the various Courts within La Porte County or requiring that certain types of cases only be filed in certain courts or assigned to certain Judges therein. Such transfer of cases or limitation on filing shall take into consideration the specialized jurisdictional attributes of any of the five Circuit and Superior Courts of La Porte County and endeavor to transfer cases that fit within a receiving Judge's jurisdiction.

In the event that either cases transferring in or out of a Court are outside the normal jurisdiction of the receiving Judge, the committee shall designate the receiving Judge as a Special Judge of the Court that retains jurisdiction over the original proceeding. The committee shall also take into consideration the impact of such transfer upon other local agencies such as the Prosecutor's Office, Public Defender's Office, Sheriff's Department, Local Law Enforcement, County Clerk's Office, Probation Departments, as well as the general citizenry and the cost of such transfers. The caseload allocation plan may be memorialized as an appendix to this rule.

15. Procedures Following Transfer. Once a case is assigned or transferred pursuant to the caseload allocation plan adopted by the committee into another Court, the case shall be heard and processed as all other cases originally filed within that Court.

## **LR 46 – FL 00 – 7      LAPORTE COUNTY LOCAL FAMILY LAW RULES**

### **LR 46 – FL 00 – 7 Rule 1:    Statement of Policy**

- A. Consistent with Indiana Code 31-15-2-17 which provides for the settlement of divorce disputes by agreement of the parties, it is the decided preference of the courts of LaPorte County that the attorneys and parties engaged in a divorce proceeding strive to resolve their disputes concerning their children and property by agreement. That preference rests upon the belief that when divorced parents are able to communicate, cooperate and compromise with each other, their children are less likely to be psychologically harmed by the break-up. Conversely, where parents adopt an adversarial approach toward each other in the divorce process, children are much more prone to suffer a loss of confidence, self-esteem, to fare poorly at school and in their interpersonal relationships, to suffer emotionally and financially and, ultimately, to resent their parents.
- B. Consistent with that philosophy of encouraging a cooperative approach to divorce, it is noted that Indiana Code 31-15-2-4 provides as follows: "A proceeding for dissolution of marriage is commenced by the filing of a petition entitled, 'In Re the marriage of \_\_\_\_\_ and \_\_\_\_\_.'" Accordingly, counsel and parties are directed to utilize the word "and" in all dissolution and post-dissolution pleadings, as opposed to the adversarial term "versus" or its abbreviated versions of "v." or "vs.". Pleadings improperly captioned may be returned by the court for corrections and refileing.

## **LR 46 – FL 00 – 7 Rule 2: Mandatory Parenting Class Attendance**

- A. In any cause of action for dissolution of marriage (divorce) or paternity involving a minor child or children under the age of sixteen (16) years, both parents, prior to the issuance of the final dissolution decree, shall attend a parenting education program or other program approved by the court. Each parent shall be responsible for the timely payments of their individual fees for the program unless, by reason of indigence, the agencies waive those fees.
- B. The parties may contact Family Focus at [800] 582-4198 or <https://familyfocusinc.net/transparenting-schedule/>, or any other court authorized agency.
- C. A parent shall file a copy of the certificate of attendance with the court in which his or her dissolution action is pending within five (5) days after attending the program.
- D. The failure to timely attend the parenting education program may result in an order that the parent appear and show cause why he/she should not be found in contempt of court and punished for such contempt. Evidence that a party has failed to timely attend the parenting education program may be considered in ruling on custody and parenting time matters. A parent who fails to attend the program prior to Final Hearing shall be ordered to attend the program post dissolution.
- E. Waiver of the obligation set forth herein may be had only by written motion or oral motion in court setting forth good cause for such waiver.

## **LR 46 – FL 00 – 7 Rule 3: Cooperative Family Law Obligations**

- A. In any cause of action for dissolution of marriage (divorce) or paternity involving a minor child or children under the age of sixteen (16) years, both parents shall complete the worksheet at [www.UpToParents.org](http://www.UpToParents.org) for divorce matters and [www.proudtoparent.org](http://www.proudtoparent.org) for paternity matters print and save a copy of their work, and provide a copy of their work to the other party within forty-five (45) days of the date the petition for dissolution of marriage is filed.
- B. If a parent lacks personal computer access to the Internet, they may gain that access at any public library branch.
- C. In the parties' settlement discussions, at the mandatory settlement conference, or any mediation conference that may be ordered by the court regarding custody, the parties, attorneys, and mediators should utilize the parties' respective worksheets and the commitments set forth therein as reference points for stipulations and as a foundation for an amicable and cooperative post-dissolution parenting relationship.
- D. The failure to timely satisfy the obligation set forth in subparagraph 3(A) may result in an order that a parent appear and show cause why he/she should not be found in contempt of

court. Evidence of a parent's failure to comply with the obligation defined in subparagraph 3(A) may be considered in ruling on custody and parenting time matters.

**LR 46 – FL 00 – 7 Rule 4: Mandatory Conferences**

- A. Prior to any contested provisional hearing, the parties and counsel must meet for a "Mandatory Preliminary Conference" to attempt to resolve, in whole or part, provisional issues and exchange discovery documents. Certification that the "Mandatory Preliminary Conference" was held must be filed prior to the contested preliminary hearing. That certification may be filed in a form that substantially complies with "Appendix A" attached hereto.
- B. Prior to a contested hearing in any family related matter, including divorce, paternity, grandparent visitation, child support, parenting time, and custody, as well as any modifications, the parties and counsel must meet for a "Mandatory Final Conference" for the purpose of resolving, in whole or part, all issues involving minor children and the marital assets and liabilities, as well as to resolve any evidentiary issues which may arise at a contested hearing. Certification that the "Mandatory Final Conference" was held must be filed prior to the contested hearing in a form that substantially complies with "Appendix A" attached hereto. No contested final hearings will be scheduled until the certification has been filed.
- C. The mandatory conferences may be waived upon written motion that establishes good cause for such waiver, including but not necessarily limited to: facts establishing that opposing counsel has repetitively failed to return telephone calls or otherwise acted in an uncooperative fashion to schedule the mandatory conference and that delay in the scheduling of a final hearing works to the advantage of opposing counsel's client for a stated reason or conversely, to the prejudice of the moving party for stated reasons.
- D. The mutual failure of the parties to participate in a "Mandatory Final Conference" may constitute cause for the court, acting sua sponte, to continue the contested hearing until after that conference is held. These conferences are mandatory even when one or both of the parties are not represented by counsel.

**LR 46 – FL 00 – 7 Rule 5: Custody Evaluations, G.A.L. Intervention, Court-Ordered Counseling, and Mediation**

- A. Custody Evaluations: The use of custody evaluations should be reserved for cases in which cooperative measures (such as mediation, counseling and parenting education classes) have been exhausted or shown to be without promise, dangerous, or otherwise inappropriate. No requirement or presumption exists that custody evaluations should occur in any given case involving custody or parenting time dispute. If counsel or the parties agree that an evaluation shall occur, they should file that agreement, including a statement of the purpose of the evaluation, allocation of the costs of such evaluation, and the name of the evaluator selected

by the parties and the stipulation that the custodial evaluation shall be admissible into evidence without need for authentication, foundation, without regard for hearsay information that may be contained therein. A hearing on the stipulation should be scheduled by the parties and the court, in its discretion, may accept, reject, or propose modifications to the stipulation and implement those modifications after providing notice and the opportunity to be heard by each party. A seventy-five (75) day time period shall be set for completion for the evaluation, absent good cause for a court order to the contrary.

The parties shall timely execute any requests for releases, waivers and access to otherwise confidential records as reasonably necessary to accomplish the purposes of the evaluation.

- B. A motion for a custodial evaluation or appointment of a guardian ad litem may be made by either party or the court on its own motion. If the motion for a custodial evaluation or appointment of a guardian ad litem is made by the court, sua sponte, it shall notify the parties of that fact and provide the parties with the opportunity to be heard regarding the need for such evaluation, the identity of the evaluator or guardian ad litem, and the allocation of costs for the evaluation.
- C. A custodial evaluation that the parties have stipulated will be admissible may be sent by the evaluator to the court and placed in the record of the proceeding. Absent such stipulation, the court should not be sent a copy of the evaluation by the evaluator or any other person, and it should not be made part of the court record. The order directing that the evaluation should occur shall include a directive as to whom should receive copies of the completed evaluation.
- D. A motion for court-ordered counseling, either joint or individually, may be made by the parties or the court sua sponte. The court may, without notice to the parties, enter an order for counseling or other therapeutic family intervention as part of any order following an evidentiary hearing.

### NOTICE REGARDING SUMMARY JUDGMENT MOTION

**READ THIS NOTICE AND THE ENCLOSED PAPERS -A MOTION FOR SUMMARY JUDGMENT HAS BEEN FILED AND, IF UNOPPOSED, THIS MOTION MAY RESULT IN JUDGMENT BEING ENTERED AGAINST YOU WITHOUT A HEARING OR TRIAL.**

The Courts of LaPorte County, Indiana, require that this notice be sent to you about the Motion for Summary Judgment that was filed by the opposing party. This notice does not contain legal advice, but does provide important information about your legal options. Please read it carefully.

The opposing party has filed a Motion for Summary Judgment pursuant to Indiana Trial Rule 56(C). The motion alleges that the facts are not in dispute and the Court can rule as a matter of law. The motion asks the Court to enter Judgment in favor of the opposing party without a trial.

As you are not represented by counsel, you are hereby advised of your obligation to respond to the Summary Judgment motion. Your previous answer, denial or even counter-claim in response to the original complaint is not sufficient to defend a Motion for Summary Judgment. Unless you submit your own affidavits (or other documentary evidence) or a response that specifically identifies information within the existing court records that contradict the factual assertions of the evidence designated in the Motion for Summary Judgment and supporting materials, any factual assertions in our motion and supporting documentation will be accepted by the Court as true. In essence, your failure to respond to the pending Motion for Summary Judgment would be equivalent to failing to present any evidence in your favor at a trial.

If you wish to file a response to the motion, the Court must receive your response within thirty-three (33) days after your opponent's motion was mailed to you. Failure to meet this

timeframe will result in the Court being unable to consider your response or any attachments thereto.

Either party may request a court hearing on the Summary Judgment motion. A written request for a hearing must be received by the Court no later than ten (10) days after the response was filed or is due. The hearing will not be a trial, and neither party will be able to present evidence at the hearing. However, either party may make legal argument and refer to the evidence designated with the Summary Judgment motion or with any response. If no request for a hearing is filed with the Court, the Court may decide the motion without a hearing based on the affidavits and documents filed by the parties.

Any response or request for hearing must be served (or mailed) on the attorney for the opposing party. A response (or other pleading) filed with the Court must include a statement that you have complied with this requirement. Your statement may be in the following form: "I delivered a copy of this response to (Attorney Name) by United States Mail on this \_\_\_ day of \_\_\_\_\_, 20\_\_."

As with any legal matter, you may wish to consult with and/or retain an attorney to represent you in this lawsuit to assist you in responding to our Motion for Summary Judgment.
