# History of the Hancock County Courthouse

*History provided by the Indiana Landmarks*

Sitting a proud distance back from the National Road/US 40, the Hancock County Courthouse commands respect with its Roman arches and heavy stonework—both characteristic of the Romanesque Revival style. Carved stone grotesques in the form of monkeys, dogs and other creatures keep watch over all who enter.

On the interior the courthouse resembles a Gothic cathedral with its ribbed ceiling, fan vaulting, and plaster cherubs. Standing on the north side of the courthouse lawn is Greenfield's favorite son, James Whitcomb Riley. The bronze sculpture by Hoosier artist Myra Reynolds Richards was dedicated in 1918.

Because the north side of the courthouse is located along busy US 40, motorists seldom take the time to drive around the square. Nonetheless, the Hancock County Courthouse is designed in

the popular Shelbyville plan, with the streets intersecting at each corner of the square.

Fort Wayne architects, Wing & Mahurin, designed the Hancock County Courthouse that was constructed from 1896-97. It is no coincidence that the courthouses in Hancock and Starke counties resemble each other; both were designed by Wing & Mahurin. In 1896 construction costs for the courthouse were just over \$250,000.

A 2012 restoration effort included restoring the decorative domed ceiling of the third floor courtroom and upgrading mechanical systems. The bond issue to pay for the courthouse restoration was approximately \$5 million. The Hancock County Courthouse was listed in the National Register of Historic Places in 1985.

# INTRODUCTION

Administrative Rule 1(C) of the Indiana Rules of Court requires all probation departments to report to the Division of State Court Administration (Division) the information required by Indiana Code 11-13-1-4. The Division compiles information from these individual reports and publishes the annual Indiana Probation Report. For 2015, the report incorporates the summary and the individual court and county statistics in one volume. The report represents workload data and an overview of funds expended on probation services in Indiana. Also included within the Probation Report is the Juvenile Law Services Report which provides demographic and financial information related to juvenile law services provided to delinquent children as required by Indiana Code 31-31-10-2.

The report provides, in graphic format, a statewide view of the workload of Indiana's probation departments, information about probation personnel expenses, and restitution collected over a ten-year period. In 2012, the Division expanded the juvenile demographic statistics reported per the guidelines established by the Federal Office of Management and Budget. As a result, this expansion included additional age, race and totals by ethnicity. Thus, the section on demographics will not have a 10-year comparison as in past years. The Probation Report also provides detailed information for 2015 broken down by individual department and county.

## The Organization and Structure of Probation Services in Indiana

Probation services in Indiana fall within the jurisdiction of the judiciary; the probationer remains under court jurisdiction until the term of probation is complete. Probation officers are trial court employees and are subject to the appointment and supervisory power of the courts they serve. By contrast, parole services are provided by the Department of Correction, an executive branch agency.

The Judicial Conference of Indiana (Conference), chaired by the Chief Justice, sets guidelines and standards for qualification, provides training, administers licensing tests, and certifies probation officers. By statute, the Conference is also authorized to set minimum compensation schedules for probation officers.

In addition, the Conference sets certain policies such as risk assessment requirements for probationers. Probation Departments use the Indiana Youth Assessment System (IYAS) for juveniles and the Indiana Risk Assessment System (IRAS) for adults. These assessments are used to assist with case plans for individual probationers.

The Conference also administers the Interstate Compact for the transfer of supervision of adult and juvenile probationers in and out of Indiana and serves as the intermediary for the return of juvenile runaways, absconders, and escapees. In 2015, 1,353 probationers transferred into Indiana and 1,304 probationers transferred out of Indiana under the Interstate Compact.

# Home Detention

Since 1988, Indiana Code 35-38-2.5 has authorized Indiana trial courts to order home detention as a condition of probation for criminal offenders. A trial court may order the supervision of an offender's home detention be conducted by the probation department for the court or a community corrections program. The statute requires that orders for home detention require the offender to pay a home detention fee. As of January 1, 2015, 15 probation departments were supervising adult and juvenile probationers through home detention, either with or without electronic monitoring. These departments collected \$1,589,360 in home detention user fees between October 1, 2014 and September 30, 2015. These fees are charged in addition to probation user fees. Community Correction agencies collected \$14,726,070 from individuals being electronically monitored on home detention.

Home detention supervisions are counted as "Other" supervisions for purposes of this report and are included in the aggregate supervisions reflected in this volume. A detailed report on Indiana's home detention program is available from the Indiana Judicial Center at [courts.in.gov](http://courts.in.gov).

# Funding of Probation Services

As with other trial court operations, local county revenues, derived primarily through property taxes, fund probation services. Depending on the size of the county and budget, many courts include the court's probation functions within the operations budget of the court itself. In the more populous counties where the probation offices are quite sizable, the probation office prepares a separate budget for the local funding authority. Counties that have established and maintain juvenile detention facilities reflect this substantial expenditure as a probation expense.

Probation user fees, adult and juvenile, provide another significant funding source for probation services. The user fees are paid by probationers as part of the conditions of probation and may be used by the courts to provide probation services. Because many counties do not have a separate probation budget, non-personnel expenditures are absorbed within the court's expenditures, making it impossible to derive a complete picture of all probation-related expenditures. This report does include probation personnel positions, a range of compensation, and other probation expenditures as the probation departments have reported.

Probation officers and staffs constitute the largest segment of trial court personnel in Indiana. During 2015, approximately 1,333 professional probation officers and approximately 567 other employees provided probation services throughout Indiana.

# Summary of 2015 Caseload Data

The probation caseload information presented in this report was reported to the Division on a quarterly basis. It reflects the number of adult and juvenile supervisions pending at the beginning and end of the calendar year, the number of supervisions and referrals received, and the number of supervisions and referrals closed during the reporting year.

Beginning in 1996, Indiana's probation departments began mandatory use of a probation classification and workload measures system. Probationers are assigned to supervision based on the relative risk of committing a new offense while on probation. The statistical information reflects the supervision levels of probationers on supervision as of December 31, 2015.

The report also reflects information about how the supervision was terminated. The juvenile data provides information on the total number of juvenile referrals, preliminary inquiries, and predisposition reports, as well as the juvenile supervisions.

In 2015, there was an overall decrease of 4.1 percent in the number of new probation supervisions. New juvenile supervisions were down 1,679, a decrease of 12.0 percent, and new felony supervisions were down 1,619, a decrease of 5.4 percent. Although not as significant as the decrease in the number of new juvenile or felony supervisions, new misdemeanor supervisions also decreased by 429, and decrease of .9 percent. In the adult felony category, 28,538 persons were placed on probation during the reporting year, a number that could have resulted in an increased

inmate population in the Department of Correction absent the probation system.

Along with the decline in the number of new supervisions received in 2015, the total number of supervisions pending at the end of the year also declined from 2014. At the end of 2015, Indiana probation departments were supervising 128,459 adults and juveniles, a decrease of 5.0 percent from the previous year.

## Summary of 2015 Fiscal Data

The 2015 data indicates county trial courts spent \$90,743,936 on the salaries of probation officers and probation office staff. The salary expenditure by the city and town court probation departments was an additional \$1,890,023. This represents approximately 28.6 percent of all expenditures on the operation of the courts. This amount, however, was partially offset by the collection of adult and juvenile probation user fees. In 2015, \$13,270,428 was collected statewide in adult probation user fees and \$504,442 in juvenile user fees, for a total of \$13,774,870.

Many probationers are ordered to pay restitution as a condition of probation. These funds are collected and distributed to the appropriate recipient by the clerk's office or the probation department. In 2015, probationers paid a total of \$7,524,291 in restitution for distribution to aggrieved parties.

The information compiled in this report would not be possible without the cooperation and contribution of Indiana's probation officers and their staff.

# Probation Report Definitions

The following definitions will be used throughout the 2015 Indiana Probation Report.

**Absconded** - Persons who have left the jurisdiction of the court without proper authorization and whose whereabouts are currently unknown.

**CHINS (Child in Need of Services)** - Cases in which a child is alleged to be “in need of services” because the child's physical or mental condition is seriously impaired or endangered due to the inability, refusal, or neglect of the child's parent, guardian, or custodian to supply the child with necessary food, clothing, shelter, medical care, education, or supervision (Indiana Code 31-34-1-1).

**Delinquent or Non-Status Delinquent** - A child who has allegedly committed an offense prior to attaining 18 years of age that would be considered an offense if committed by an adult (Indiana Code 31-37-1-2).

**Interstate Accepted** - Persons accepted under supervision from other states, through the Interstate Compact.

**Intrastate Accepted** - Persons accepted under supervision from other counties in Indiana.

**Post-Sentence Supervisions** - Persons ordered under supervision after conviction and sentencing. Generally, Post-Sentence supervisions represent convictions where the entire sentence is suspended in favor of probation only.

**Predispositional Report (PDR)** - Upon a finding by a court that a child is a delinquent child, Indiana Code 31-37-17-1 requires a probation officer or caseworker to complete a predispositional report. Predispositional reports contain (1) a statement of the needs of the child for care, treatment, rehabilitation, or placement; and (2) a recommendation for the care, treatment, rehabilitation, or placement of the child.

**Referral** - A probation department includes in the referral category any allegation of juvenile misconduct, whether it stems from the police, parents, school, commercial businesses, or other adults. Examples of referrals include police reports of juvenile misconduct, complaints of incorrigibility by a parent, reports from a school as to truancy, or allegations by a neighbor regarding misconduct.

**Split-Sentence Supervisions** - Persons ordered under supervision after commitment to the Department of Correction for a period of time, or commitment to a local facility. These cases are not counted until the convicted person is released from the institution and is being supervised by the probation department. The category includes any sentence that is a combination of confinement and probation and almost always involves felony convictions rather than misdemeanors, although some misdemeanor convictions will result in split sentences. The key to this category is that the sentence involves a period of commitment in a secure facility, to be followed by probation.

**Status Delinquent** - A juvenile who is charged with committing an act that would not be considered a crime if committed by an adult, such as truancy, incorrigibility, violations of curfew, and violations of Indiana Code 7.1-5-7 (minors and alcoholic beverages) (Indiana Code 31-37-2-2 – Indiana Code 31-37-2-7).

**Supervision in Lieu of Prosecution** - Persons ordered under supervision as an alternative to prosecution. If a court determines that probation is a better alternative rather than actual prosecution for a crime (generally misdemeanors), including some sort of court-ordered treatment, the probation department will report the supervision in this category. There must be a court order before any supervision is reported in this category. Indiana Code 12-23-5-1 permits this type of supervision when the court “takes judicial notice of the fact that proper early intervention, medical, advisory or rehabilitative treatment of the defendant is likely to decrease the defendant’s tendency to engage in antisocial behavior.”

# Juvenile Law Services Report

Indiana Code 31-31-10-1 *et seq.* requires the probation department of the juvenile court to maintain information relating to delinquent children and children in need of services who receive juvenile law services, and all financial information relating to each juvenile law service.

The terms “juvenile law services” and “all financial information” are not defined by statute. For the purpose of complying with the reporting requirements of the law, the Division and the Juvenile Justice Improvement Committee of the Indiana Judicial Conference (“Committee”) have defined the terms.

“Juvenile law services” means: The filing with a court of a JD (Juvenile Delinquent), JS (Juvenile Status), or JM (Juvenile Miscellaneous) case, as defined by Administrative Rule 8. The interpretation of case types in Administrative Rule 8 generally refers to the following:

**JD** - Cases in which a child is alleged to be delinquent as a result of committing an act prior to attaining 18 years of age that would be considered an offense if committed by an adult (Indiana Code 31-37-1-2).

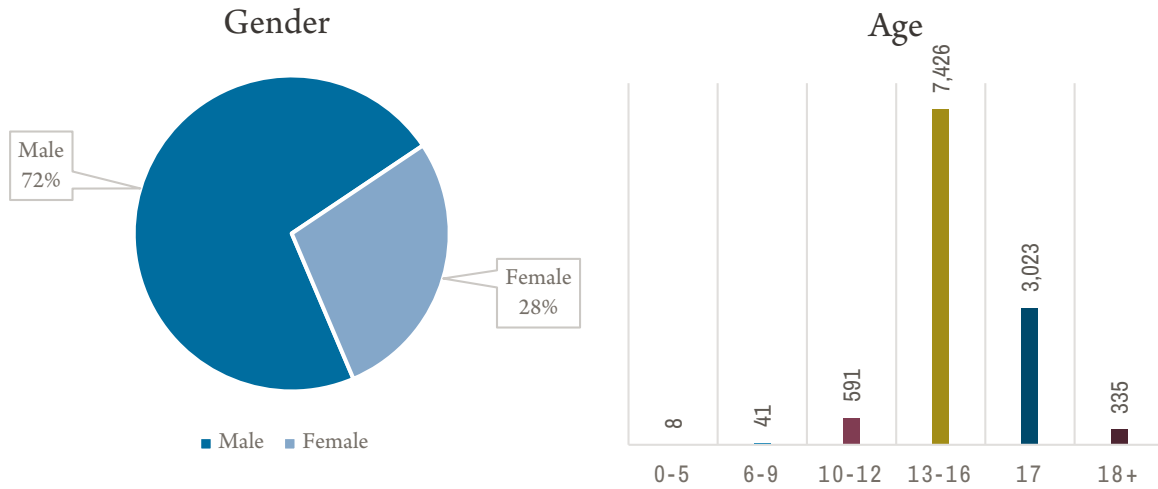

**JS** - Cases in which a juvenile is charged with committing an act that would not be considered a crime if committed by an adult, such as truancy, incorrigibility, violations of curfew, and violations of Indiana Code 7.1-5-7 (minors and alcoholic beverages) (Indiana Code 31-37-2-2 – Indiana Code 31-37-2-7).

**JM** - Cases involving juvenile matters not reflected in other categories, including court approval of informal adjustments.

The financial information available to the courts and to probation departments is often limited to expenditures made through court budgets. Expenditures made from the county general fund could be made available to the probation department and the court if identified as such by the county auditor. The bulk of the financial information on children receiving “juvenile law services” is collected and reported by the Department of Child Services (DCS).

For purposes of this publication, “Reimbursement” is the amount of money collected for programs from the sources listed on the Semi-Annual Juvenile Law Services Financial Information report.
