#### **4B PROPOSAL INFORMATION PAGE**

The first page presented to the applicant after clicking upon the *Create Proposal* link is the *Proposal Information Page*. Note how the *Proposal Information Page* is divided into four sections which are accessed via the tabs *Basic Information, Proposed Services, Errors,* and *Attachment*. Clicking on the individual tabs will allow you to navigate between the proposal sections.

In addition, from the *Proposal Information Page*, the user is provided with options to *Delete*, *Submit*, or *Print Proposal Application* by clicking on the down arrow of the dropdown menu entitled *Action*. This dropdown menu with its respective options are available on the *Proposal Information Page* no matter which tab is selected.

Note: If the applicant selects *Delete*, the entire proposal will be deleted. Only correctly completed proposals will qualify for submission. The option to *Print Proposal* is available at any time in the process – whether the proposal has been submitted or if it is still open.

Also note there is an *Eligible to Submit* icon in the *Proposal Header* which provides the applicant with a gauge as to whether or not the proposal is ready for submittal. When you click on the red icon, you will be transferred to the *Errors* tab where a listing of errors is provided. If the icon registers as green, the proposal is ready for submission.

#### **4F COMPONENT CODE TABLE**

Found next on the *Proposed Services* form is the *Component Code Table* (Billable Units). Here you will find the listing of all components relevant to the selected *Service Standard* within the RFP. This table also provides the applicant with the relevant *Component Codes* (Billable Units), Component Description, their Units of Measure, and their respective standardized rates.

Some Service Standards require that all the components be selected. These components will have a standard rate that cannot be negotiated. These are shown under the *Rate* column. These components with a fixed standard rate will have a field that cannot be edited, as shown below under My Proposed Rate column. In the example below for Home Based Family Centered Casework none of the rates can be edited within this column. By applying for this service your agency agrees to provide the service at the fixed standard rate.

#### 4G COUNTY/CONTACT TABLE

Next on the *Proposed Services* form is the county selection area. To select the regions and/or counties corresponding to the associated services, click on the dropdown menu and select *Add*. Note: Clicking on the *DCS State Region Map (Click Here)* link will open up a browser window with an illustration of the state of Indiana identifying which counties are in which regions as depicted below.

Once *Add* has been selected from the county dropdown list, click on the *Go* button.

Clicking on the *Go* button opens up the *County Selection* dialog box. Begin by filling in the *Name*, *Phone* and *Email* fields. Note: Each county and/or region requires the entry of corresponding contact information.

There are two ways to populate the *Counties Selected* field. The first option is to click on the *Filter By Region* dropdown list which will provide a window listing all of Indiana's regions as demonstrated below. See previous page for instructions on accessing a map of Indiana providing a region legend.

For our purposes we've elected to bypass the region option and select by county. Illustrated below is the selection of Carroll County from the *Counties Available* list. Once the desired county is selected, click on the *Select* link to move it into the *Counties Selected* field. Repeat this process to select all counties desired for service representation. Counties may be removed from the *Counties Selected* field by highlighting the applicable counties and clicking on the *Remove* link.

The Department of Child Services (DCS) has legal limitations in answering questions regarding the RFP process. All questions/inquiries regarding an RFP should have been submitted in writing by the deadline listed in the RFP. To access a list of responses to submitted questions please refer to the DCS Web site. Only answers posted on the DCS Web site, (<u>http://www.in.gov/dcs/3153.htm</u>), will be considered official and valid by the State. Inquiries are not to be directed to any staff member of DCS.
