## Questions and Answers RFP's 7-1-11 to 6-30-13

Question	Answer			
Project Safe Place				
<ol> <li>Safe Place Volunteer Recruitment. In the 5 components it states – youth outreach groups consisting of youth who have previously been helped through safe place "maybe" formed. Does this make this component optional?</li> </ol>	Volunteer recruitment is necessary, but specifically using youth who have been helped by the program is optional. Each agency determines its policy for youth recruitment and follows its own written policy.			
<ol> <li>For Project Safe Place RFP, it states ages 10-17. Has the age of youth served changed? It has been 8-22 for SF in the past</li> </ol>	National Safe Place lists target ages 11-17 years. However, each agency specifies the ages of youth it will serve and may have policies that allow a broader age range of target population (for example – individuals with special needs may be older). Each agency should follow its own written policies.
