Luckily, **Family Resource Centers** are here to provide connections and support for families across Indiana!

Our vision is to create strong and caring communities throughout Indiana, where families will have equitable access to the resources they need to be connected and safe.

STRENGTHENING INDIANA FAMILIES
FAMILY RESOURCE CENTERS

Family Resource Centers

A Family Resource Center (FRC) is a community-based hub of support, services and opportunities for families. An FRC:

- Utilizes a multigenerational, strengths-based and family-centered approach.
- Reflects and responds to community needs and interests.
- Provides support at no or low cost.

FRC Goals

- Help families be strong, healthy and successful.
- Help build strong and healthy communities.
- Provide the structure for cross-system collaboration at local and state levels, including a parent advisory group.
- Have monthly family-fun events and family-centered programming (e.g., Parent Cafés).
- Reduce the likelihood of child abuse and neglect through the research-based Strengthening Families Protective Factors.

How FRCs help families

- Enhancing parenting skills.
- Fostering the healthy development and well-being of children and families.
- Preventing child abuse and neglect.
- Increasing school readiness.
- Connecting families to resources.
- Developing parent and community leadership.
- Providing concrete supports (e.g., food, baby items, school supplies).
- Supporting healthy marital and couples' relationships.
- Promoting family economic success.

Indiana Family Resource Centers are 501(c)(3) nonprofit organizations, and all donations are tax-deductible. FRCs also accept in-kind donations for ongoing needs such as clothes, diapers, wipes, gas cards and board books.

There are many volunteer opportunities supporting the mission of the Family Resource Centers, and we are seeking committed individuals to serve on parenting boards and other committees. Find ways you can help on strengtheninginfamilies.org.
