

The August 2022 Institute  
for Strengthening Families

**You are invited to attend the August 2022 Institute for Strengthening Families**

**Save the Dates: This virtual event will take place August 9-11, 2022**

Registration will be **\$40 per person!** Watch for registration information in the next few weeks.

Featuring Andrew Campbell speaking on *Stuck In the Middle With You: Shared Risks for Children and Pets in Domestically Violent Homes* and *More Than Words: The Emotional Maltreatment of Children*

Andrew Campbell (CEO) is an expert on family violence and the associated risks of harm for adults, children, and animals residing in homes where this violence occurs. Andrew recently obtained his Masters in Public Health from Purdue University and has presented at over 100 professional conferences and trainings since 2019. Andrew has authored 12 academic publications over the last two years that include papers cited by the FBI, CDC, and in over 700 international academic studies. His book, "Not Without My Pet", covering the pet piece of family violence, was released September of 2021. In addition to being an author, researcher, and educator, Andrew also speaks as a survivor of family violence in childhood.

Other topics for August include:

- Diversity, Equity and Inclusion
- Supporting Families with Mental Health Concerns
- Compassion Fatigue
- Safe Sleep
- Drowning Prevention
- Fetal Alcohol Syndrome
- Supporting Kids with Big Emotions
