

**Indiana Department of Homeland Security**  
Search and Rescue Conference  
June 20-23, 2013

## **Call for Presenters**

IDHS, Search and Rescue Training Center is requesting potential presenters for the 2013 Search and Rescue Conference to be held June 20-23, 2013. The focus of the conference is to educate the search and rescue community offering basic through advanced classes focused on a diverse array of topics. IDHS Search and Rescue Training Center is seeking subject matter experts in the following areas; water rescue, rope operations, ground search, canine, general information, field skills and other areas of expertise related to search and rescue.

**Location:**

IDHS Search and Rescue Training Center, Located on Camp Atterbury, Edinburg, Indiana.

**The Audience**

Attendees will include professionals, both paid and non-paid, in all aspects of search and rescue from throughout the United States. Attendees will represent many job functions, but will all share a similar concern: search and rescue. This will include K9 as well as non K9 attendees.

**The deadline for submission** is **March 31, 2013**. Please provide the following information for program consideration to Lillian Hardy, [lhardy@dhs.in.gov](mailto:lhardy@dhs.in.gov) :

- Presentation title.
- Presentation length – workshops will be scheduled June 20-23.
- A maximum 200-word synopsis of the presentation you would like to have considered.
- Please keep in mind this will serve as the basis for the description printed for publication in the registration brochure and conference program.
- Indicate the type of visual aids and or equipment you will use in this presentation.
- Has this presentation been given before? If so, when and where?
- Your name, address, daytime telephone number and email address.
- Bio – not more than 200 words, paragraph form only (NOT RESUME FORMAT).
- Instructor Fees if not volunteering (Please include per diem, hotel fee and or transportation cost in your bid)

Thank you,

Lillian Hardy
