ADMINISTRATIVE PROCEEDINGS

1. Administrative Rulemaking

- I. Title 836 Rule readoption that incorporates AEMT certification language in addition to National Criminal History Background check language.
- II. Hillary Egan stated that she is asking for the EMS Commission's final approval on the Title 836 Rule that incorporates the AMT language as the National Background Check as it mandatory in Indiana. She reminded all that emergency rules statewide will be expiring October 1, 2024. It was noted that there was Public Comment Period held and no comment.

Director Kinney noted that there are a few corrections to some of the definitions listed in the document as this was not drafting in Rule Rewrite Language so in turn will not cause discrepancies if approved as written and Hillary Egan assured that if any modifications or addendums are needed, we are able to do so immediately following the initial approval.

A motion was made by Commissioner Hoggatt to approve Title 836 Rule. The motion was seconded by Commissioner Zartman. Roll call vote was taken:
