Local

3. Does the project address an underserved community? If so, how will the project address underserved communities?

- Definition of underserved community – The term “underserved communities” refers to populations sharing a particular characteristic, as well as geographic communities, that have been systematically denied the full opportunity to participate in aspects of economic, social and civic life. This includes community response planning and training for fire, law-enforcement and public safety access point personnel.

4. Project Description/Purpose question: What are you doing with this project in detail?
5. How does the project support terrorism preparedness?
- a. Prevent a threatened or an actual act of terrorism;
 - b. Prepare for all hazards and threats, while explaining the nexus to terrorism preparedness;
 - c. Protect citizens, residents, visitors and assets against the greatest threats and hazards, relating to acts of terrorism; and/or
 - d. Respond quickly to save lives, protect property and the environment, as well as meet basic human needs in the aftermath of an act of terrorism or other catastrophic incidents.
6. How does your project relate to the National Priority chosen? Only answer if a National Priority is chosen.

7. What assessment tool was used to determine the project need and how will this project address that vulnerability? (Threat and Hazard Identification Risk Assessment (THIRA)/Stakeholder Preparedness Review (SPR)/After Action Report (AAR)/etc.)
8. What is the primary Core Capability being addressed? Please describe how your project addresses this specific Core Capability.
9. What are the anticipated long-term impacts?
10. Demonstrate the cost effectiveness of the budget plan.
11. Has the organization been awarded any SHSP grants in the last 3 years?
- Yes
- No
12. If project includes emergency communications, does the applicant certify that they coordinated with the Statewide Interoperability Coordinator (SWIC) when developing this project prior to submission to ensure the project supports the statewide strategy to improve emergency communications and interoperability with surrounding systems?
- Yes
- No
13. If you answered yes to question 12, how does the proposed project align with needs identified in Statewide Communication Interoperability Plan?

14. Investment Justification Details
