Work History

2024- Present: UL Solutions- Brea CA, ICC NTA LLC 2007-2024 (Various positions including Director of CAD Services, Lab manager, Assistant Director of Modular Services, and Large Project Department Manager.

4.0 Statement of Independence: UL operates as an independent company without the control or jurisdiction of any client (manufacturers or suppliers) related to the projects for which we provide services.

5.0 Statement of Compliance: UL certifies that all individuals performing services shall comply with all applicable rules, including TITLE 675 Fire Prevention and Building Safety Commission ARTICLE 15 INDUSTRIALIZED BUILDING SYSTEMS.

6.0 Current Clients and Agency Experience:

UL currently has many clients; however, obtaining agency licensing is essential before we can provide services to new clients. **At present, none of our existing clients are producing factory-built buildings under Indiana ARTICLE 15 INDUSTRIALIZED BUILDING SYSTEMS.** Once the licensing process is successfully completed, UL Solutions will inform the relevant state agencies about our clients.

UL Solutions is a global leader in safety science. Founded in 1894, UL has a rich history of developing and implementing rigorous safety standards for a wide range of products. Initially focused on fire safety in electrical equipment, UL has since expanded its comprehensive approach to include everything from building materials to buildings, playing a critical role in safeguarding lives and property.
