Applications are now being accepted for the St. Vincent Paramedic Program, which begins January 4, 2010.

The St. Vincent Hospital Paramedic Program is a 13-month course designed to allow portability, flexibility and structure for today's busy EMS student. The program meets or exceeds the U.S. Department of Transportation EMT-Paramedic National Standard Curriculum, and is an approved training institution by the Indiana Department of Homeland Security. It is one of eighteen accredited programs in Indiana certified by the Commission on Accreditation of Allied Health Education Programs (CAAHEP).

Paramedic program admission is **COMPETITIVE** and requires the following:

- Completion of the application packet and returning it with **ALL** required documents and \$35 non-refundable application fee on or before **September 30, 2009**. Applications must be **RECEIVED** no later than September 30, 2009 to be considered for the January 2010 program.
- Successful completion of all required testing modules and an oral interview.

All prospective students must attend the HOBET testing date listed below. The cost of the HOBET exam is a non-refundable \$50.00, due by October 13, 2009. Study guides are available to purchase for \$35.00. We anticipate accepting up to twenty-four (24) students into the 2010 paramedic course. **Notification letters of acceptance will be mailed to successful applicants on or before November 23, 2009.**

Tuition for the Paramedic Program is \$4,600; textbooks and FSDAP database student account are included in the tuition price. Required uniforms are the responsibility of the student, and internet access is mandatory. A \$500.00 deposit will be required to hold a seat for successful applicants. The classroom portion of the course will be held on Monday and Thursday, from 0900-1700 hrs. Labs, specialty certification courses, clinical rotations, and internship experiences will need to be completed on other days/times.

Program facilities are equipped with wireless Internet connections for students with laptop computers. Students may also log on from home or work to access web-based learning modules, grades, faculty communication, and other program resources.

If you have questions please contact Kathi Ricketts, Paramedic Program Director, at 317-338-7115 or karicket@stvincent.org.
