Re: City of Gary Distressed Unit Appeal – Population Projections

Date: December 22, 2008

Policy Analytics' population forecast for the City of Gary is presented below. These projections are from the Policy Analytics Lake County population forecast, developed under contract with the Northern Indiana Commuter Transportation District, and submitted to the MPO.

Policy Analytics Population Projection

	Actual			Projected		
	2005	2006	2007	2008	2009	2010
Gary Corporation	97,719	96,886	96,429	96,276	96,123	95,966
