The figures contained above are estimates only. The actual values will be computed during the Department's budget review. Taxing units are legally obligated to fulfill their debt obligations, regardless of these estimates or the Department's levy certification.

Summary of Significant Assumptions

1. For the purposes of these estimates, the Department considered only debts, leases and other allowable expenditures from the debt service funds which were included in the 2016 budget review. The Department has not included any new debt issuances.
2. The Department relied upon data entered into the Debt Worksheet on Gateway for the 2016 Budget Year in order to estimate the Line 1, Line 2 and Line 11 amounts for 2017. The reliability of these figures may be impacted by data entry errors on the Debt Worksheet.
3. To estimate the 2017 levy for the fund, the Department has assumed no June 30 cash balance and no miscellaneous revenues. The presence of these dollars could reduce the levy needed to support the identified debt.
