You will find in this workbook the sales ratio and equalization study for Montgomery County. Please notify the Montgomery County Assessor as soon as possible with any questions or with the certification of acceptance. They are very close to completing the process needed in order to print form 11's, but will not print the form 11's until hearing from the DLGF.

We would like to point out that the industrial land values were trended in accordance with the commercial land values. The neighborhoods are tied together and therefore receive the same trending factors. There was only one vacant industrial sale and included forty acres of land that is used for farm ground which therefore makes the sale higher than what can be assessed.

We look to hear from you soon.

Thank You,

Peg Hudson
Montgomery County Assessor
