

HERCON®
DISRUPT® BIO-FLAKE GM
GYPSEY MOTH MATING DISRUPTANT
Population Suppressant

HERCON DISRUPT® BIO-FLAKE GM Gypsy Moth Mating Disruptant is a controlled-release pheromone formulation designed to lower the incidence of gypsy moth, *Lymantria dispar*, mating by disrupting normal male flight orientation to females and thereby reducing successful mating.

ACTIVE INGREDIENT:

(Z)-7, 8-epoxy-2-methyloctadecane.....12.50 %*

OTHER INGREDIENTS 87.50 %

TOTAL 100.00 %

CONTENTS:

MINIMUM NET WEIGHT: 18.7 lb [8.5 kg]*

* for each plastic bag, metal drums contain 12 bags or 224.4 lbs (102 kg)

BATCH CODE _____

KEEP OUT OF REACH OF CHILDREN
C A U T I O N

Read Directions and Precautionary Statements Before Use

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes and mouth. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco products or using the toilet. Applicators and other handlers must wear long-sleeved shirt and long pants, chemical resistant gloves and shoes plus socks.

ENVIRONMENTAL HAZARDS: For terrestrial uses: Except under forest canopy, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Spray valves must be shut off when passing over surface water not under the canopy. Do not contaminate water when cleaning equipment or disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product is only to be applied in wide area public pest control programs sponsored by government entities. Apply DISRUPT® BIO-FLAKE GM up to two weeks before adult gypsy moth emergence. Depending on the gypsy moth population densities apply 8.5 oz (240 gm) of product (containing 30 gm of active ingredient), 4.2 ounces by weight (120 gm) of product (15 gm of a.i.), or 1.7 oz (48 gm) of product (6 gm of a.i.) per application per acre. Apply 4.2 oz (120 gm) or 1.7 oz (48 gm) of product in low density gypsy moth populations. Consult your state or local authorities for determining gypsy moth population levels in your area. Apply a second application if adult gypsy moth emergence is extended or delayed, otherwise one application should last the entire season. Use an inert sticker material with DISRUPT® BIO-FLAKE GM to hold flakes on treated foliage or plant parts. **Method of Application:** Do not open bags until ready to use. Do not use Disrupt BIO-FLAKE GM Gypsy Moth Mating Disruptant flake from damaged, punctured or unsealed bags. Apply this product using only application equipment approved by Hercon or by federal or state agencies. Do not apply when foliage is wet. **Aerial Application:** Apply Disrupt BIO-FLAKE GM using the approved Hercon pod system for fixed winged aircraft. The Hercon pod system is specifically designed to mix the proper amount of DISRUPT® BIO-FLAKE GM flakes and inert sticker at the time of application. Use an approved sticker at 1-6 fl oz per acre. This specialized aerial application equipment can only be operated by approved applicators. Use Disrupt BIO-FLAKE GM in areas such as forests; residential, municipal, and shade tree areas; recreational area such as campgrounds, golf courses, parks, and parkways; ornamental and shade tree plantings; shelter belts and rights of way, and other easements. Unintentional spray or drift from application of Disrupt® BIO-FLAKE GM when treating trees and shrubs along or within pastures, non-target vegetation including but not limited to native and ornamental species and food or feed crops, is permitted.

STORAGE AND DISPOSAL:

Do not contaminate water, food, or feed by storage and disposal.
PESICIDE STORAGE: Store in sealed containers in a cool dry place.
PESTICIDE DISPOSAL: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.
CONTAINER DISPOSAL: Metal Containers: Non-refillable container. Do not reuse or refill this container. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and or dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Plastic Bags: Non-refillable container. Do not reuse or refill this container. Completely empty bag into application equipment. Then offer for recycling if available, or dispose of bag in a sanitary landfill or by incineration or, if allowed by state or local authorities, by burning. If burned stay out of smoke.

WARRANTY AND DISCLAIMER STATEMENT

Hercon Environmental warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in accordance with the Directions for Use, which must be followed. To the extent consistent with applicable law, Hercon neither makes, nor authorizes any agent or representative to make any other warranty of fitness or of merchantability, guarantee or representation, expressed or implied concerning this material except as stated above. This warranty does not extend to the use of this product contrary to the label instructions, or under abnormal use conditions, or under conditions not reasonably foreseeable to Hercon Environmental. To the extent consistent with applicable law, if this product is defective, Buyer's exclusive remedy shall be the replacement of the product, or if replacement is impracticable as determined by Hercon, refund of the purchase price. To the extent consistent with applicable law, Hercon's maximum liability for breach of this warranty shall not exceed the purchase price of this product. To the extent consistent with applicable law, in no case will Hercon be liable for incidental, consequential or special damages resulting from handling, storage, use, misuse or abuse of this product.
