

## **Oak Grove Wildlife Management Area**

Oak Grove WMA is located near Washington in Daviess County and is managed by Glendale Fish & Wildlife Area. This property totals 65 acres of mostly hardwood forest with areas of upland and a small marshland habitat.

### **History**

The property was acquired by Indiana DNR in 2013 and is protected in perpetuity under the Wetland Reserve Program (WRP) in partnership with the Natural Resources Conservation Service (NRCS).

### **Amenities**

No amenities are provided at this property.

### **Access**

- The parking lot is located on the north side of the property off CR W 50 N. Property may be accessed by foot traffic only beyond the parking area.
- This property provides hunting opportunities for deer, turkey, and other upland game, as well as waterfowl.
- Property is open year-round. Visitors engaged in hunting activities must check in at the self-service kiosk located in the parking lot.

### **Prohibited Activities**

- Camping and open fires
- Operating motorized vehicles outside of designated parking area
- Biking, off-road travel

All state and federal laws apply.

### **Permitted Activities**

- Hunting: Deer, turkey, waterfowl, and small game species; all hunting seasons and bag limits apply.
- Foraging: Mushrooms, berries, and nuts may be gathered.
- Wildlife Viewing: While there are no designated or maintained hiking trails, visitors are encouraged to explore the property.
- Trapping: Property trapping permit required, contact Glendale FWA for more information.
