
Goose Pond Fish & Wildlife Area**Total Solar Eclipse****April 8, 2024**

Thank you for considering experiencing the dark side of the marsh at Goose Pond Fish & Wildlife Area. Keep this information in mind to ensure that everyone is safe and has a great experience during this rare solar eclipse event.

- We encourage property visitors to plan to travel to the property early and expect delays when leaving. Heavy traffic is expected after the eclipse. Bring snacks and water with you. Ensure you have enough fuel for safe travels home.
- It is important to keep roadways clear while enjoying the eclipse to ensure safe passage of emergency vehicles.
- Parking is limited to designated areas only. See the map below. Most parking areas support one to three vehicles. The visitors center parking lot supports 80 vehicles. There are no spaces for buses or RVs. We will close the parking lot once it is full. Overnight camping is prohibited. You are welcome to park in any of our designated areas and walk on levees or other areas.
- It is important to wear eclipse glasses while viewing the solar eclipse.
- Please remember that you are required to sign in at the visitors center or at any of our self-service booths.

[Visit our website for more information on other properties in the zone of totality for the solar eclipse.](#)
