

Oxbow Bottoms Wildlife Management Area

Oxbow Bottoms WMA is located near Cumback in Daviess County and is managed by Glendale Fish & Wildlife Area. This property totals 150 acres of mostly hardwood, upland, and marshland habitats. This property is located in the floodplain along the East Fork of the White River.

History

This tract of land was purchased by Indiana DNR in 2020 to provide additional hunting and outdoor recreation opportunities.

Amenities

No amenities are provided at this property.

Access

The parking lot is located on the north side of the property off E 825 S. Property may be accessed by foot traffic only beyond the parking area.

This property provides hunting opportunities for waterfowl, deer, turkey, and other upland game.

Property is open year-round. Visitors engaged in hunting activities must check in at the self-service kiosk at the parking lot.

Note the property is bordered by private property on the west, south, and east.

Prohibited Activities

- Camping and open fires
- Operating motorized vehicles outside of designated parking area
- Biking, off-road travel

All state and federal laws apply.

Permitted Activities

- Hunting: Deer, turkey, waterfowl, and small game species; all hunting seasons and bag limits apply.
- Foraging: Mushrooms, berries, and nuts may be gathered.
- Wildlife Viewing: While there are no designated or maintained hiking trails, visitors are encouraged to explore the property.
- Trapping: Property trapping permit required; contact Glendale FWA for more information.
