

Willow Slough FWA

Dove Hunting Rules and Procedures

Managed Fields

- A drawing will be held at 11 a.m. CT.
- A party can consist of one to five individuals.
- A person/party can only be entered into the draw once.
- Shooting time will be noon — 5 p.m. CT unless otherwise posted.
- Hunters must use non-toxic shot shells. **NO LEAD SHOT ALLOWED.**
- A 50-shell limit is in place in managed fields.
- Hunters in the managed field areas are not allowed to switch fields.
- Hunters must hunt from designated shooting strips.
- Guns are not to be taken to retrieve downed birds.
- Do not shoot up, down, or behind length of shooting strips. Only shoot over mowed flowers.
- All trash should be removed from the field after the hunt. Spent hulls are considered trash.
- No alcoholic beverages or other illegal substances are allowed in the fields.

**Managed Field Hunter Allocation
