
2023 IPLA Archery Deer Hunt Draw Information

This page includes information and instructions for those interested or selected to participate in a 2023 Indiana IPLA Archery Deer Hunt Draw. It is important to note that areas participating in reserved hunts are managed by various agencies and may have unique restrictions that each hunter must follow. Please read each area's information packet carefully before pursuing a hunt.

Applying:

The application period for the 2023 IPLA Archery Deer Hunt Draw is July 2 – Aug. 6, 2023. Late applications will not be accepted. You must obtain a valid deer bundle, deer archery, lifetime hunting or lifetime hunting and fishing license prior to applying. Each hunter is eligible to select one county from any participating private lands when applying. If found to be successfully drawn, hunters will be assigned a specific property and will receive information shortly after the draw closes. There are no age restrictions on applying. Youth hunters may apply if they are properly licensed to hunt deer.

Restrictions:

Allowed Equipment: Legal equipment for IPLA Archery Deer hunts includes all equipment that is legal for archery hunting on private property in Indiana.
