

Put-and-take Registration Instructions

Logging in

Click the login button on the home page of the Activity Hub at GoOutdoorsIN.com. From there, you will be taken to Access Indiana, where you will be required to log in or create an account. Once logged in through Access Indiana, you will automatically be directed back to the Hub. From there, you will be able to buy a license, apply for reserved hunts, etc.

Tip: If it's your first time using the Activity Hub, you will need to look yourself up in the system and verify that your personal information is correct.

For questions about checking in game, your online account, or license-purchasing errors, call 317-232-4200 or 877-463-6367 or email INHuntFish@dnr.IN.gov.

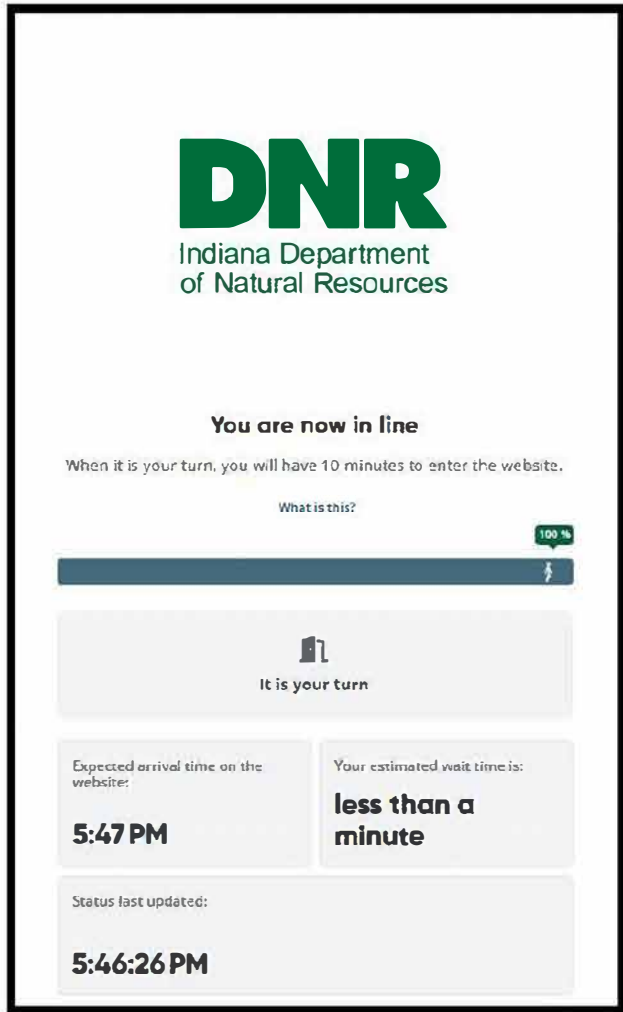

Virtual waiting room

A queue function is in place that regulates the flow of customers through the purchasing process. The feature is designed to prevent bottlenecks and system crashes when sales volumes are high and prevent bots from impacting your purchases.

What can you expect? View an example below.

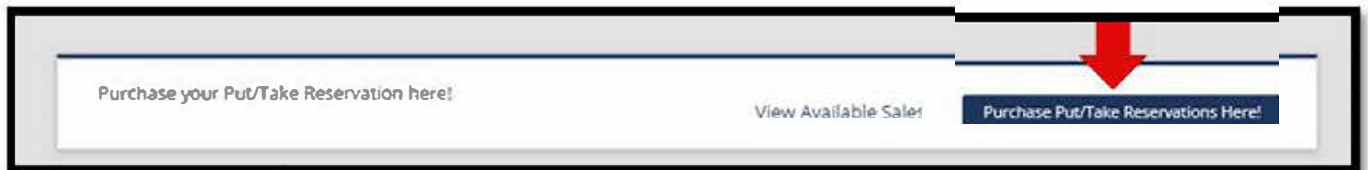

The pre-queue: If you log in prior to 7 a.m. or during peak purchase times, you will be placed in a "pre-queue" with a countdown timer. When the sale begins, everyone in the pre-queue will be randomized, and then placed into a first-in, first-out queue in the virtual waiting room.

Virtual waiting room: While waiting your turn to purchase, you will be able to see your position in line, estimated wait time, and progress updates. You will also have the option to leave the waiting room and be notified by email when it's your turn to purchase. Once it's your turn, you will have 15 minutes to complete your purchase.

How to Purchase – Step by Step

Once it's your turn to purchase, this is what to plan for. Look for the Put-and-Take banner at the top right of your Customer Dashboard. Click the "Purchase Put/Take Reservations Here!" button.

Look for the "Hunting" category and click "Add" on the "Put/Take Reservation" tile to view a full list of available hunts.

Continue Shopping

To add multiple spots for the same hunt, you must update the quantity in your cart before proceeding to checkout. Note that adding a hunt to your cart immediately reduces the available reservation count by one. If you add the final spot, it will show SOLD OUT to other customers.

About the hunts

This year's hunts take place between Nov. 21 and Nov 29. The fee is \$30 per registration and is first-come, first-served. A \$1 tech fee is charged per registration.

Participating Fish & Wildlife areas (FWA) include Atterbury, Glendale, J.E. Roush Lake, Pigeon River, Tri-County, and Winamac. For property-specific information, contact the property at which you are interested in hunting. View more information about reserved hunts at on.IN.gov/reservedhunt.

For questions about put-and-take or other reserved hunts, email DFWReservedHunts@dnr.IN.gov or call 812-486-9648.

Thank you for all you do for conservation in Indiana!
