REMARKS: This sale was marked **prior** to Hurricane Ike and the following wind and ice storms. The volume represented reflects the total **before** the storms took place. The trees are marked with **blue** paint. Cutting and skidding must take place from **November 16, 2009 through March 31, 2010 and/or November 16, 2010 through March 31, 2011**. Logs in yard may be moved at all times of the year up until **June 1, 2011**. Seller plans to spread additional stone to access road this summer. There is a wildlife pond close to the yarding location that will require protection. Buyer will be required to seed and straw the log yard and major skid trails at the forester's discretion depending on amount of soil erosion potential due to wet weather. Recreation trails will be kept clear of debris. Any damage to trails and fire lanes must be repaired by sale's end. Buyer must keep an **operable bulldozer present on site** while the operation is in progress.
