

Indiana Arbor Day Poster Contest 2025–2026

CHECKLIST

- ☐ **Eligibility:** All Indiana 5th grade students are eligible to enter their school's poster contest. Each school may submit only one poster to the statewide contest. All schools are eligible to enter the statewide contest, including home schools.
- ☐ **Originality:** Poster submissions must be original artwork. The use of collages, cartoon characters, and/or television figures is not allowed (many of these figures are copyrighted and cannot be reprinted).
- ☐ **Medium:** Posters may be drawn using marker, crayon, paint pens, watercolor, ink, acrylic, colored pencil, and/or tempera paints.
- ☐ **Theme:** The contest theme, Healthy Trees, Healthy Me! must be on the poster, and the poster should be related to the theme in some meaningful way. Words on the entry should be legible and spelled correctly. Any included tree facts should be true, accurate, and verifiable.
- ☐ **Entry Form:** Please fill out one contest entry form for the school-winning entry being submitted in the state-wide competition. Email urbanforestry@dnr.in.gov with the entry form and poster attached.
- ☐ **Sharing Permissions:** Posters submitted become the property of the Indiana Department of Natural Resources and may be used, without compensation, to promote future contests and other urban forestry outreach programs.
