Laws Regarding Cemeteries in Indiana

**IC 14-21-1-2**
Defines an artifact as an object made, modified, or used before December 31, 1870.

**IC 14-21-1-3**
Defines burial ground as ground where there are human remains including the area that is either marked by a visible boundary or determined by the Department of Natural Resources – Division of Historic Preservation and Archaeology.

**IC 14-21-1-4**
Defines burial object as any thing intentionally placed in a burial ground at or near the time of burial.

**IC 14-21-1-13.5**
Authorizes the Department of Natural Resources – Division of Historic Preservation and Archaeology to conduct a survey program of every cemetery and burial ground in Indiana.

**IC 14-21-1-7**
Defines human remains.

**IC 14-21-1-24**
Makes it illegal to farm or conduct animal husbandry in a cemetery.

**IC 14-21-1-26.5**
A person may not disturb the ground within 100 feet of a burial ground for the purpose of erecting, altering or repairing any structure or for excavating or covering over the ground without having a development plan approved by Department of Natural Resources – Division of Historic Preservation and Archaeology. While the word cemetery has been taken out of this law (and only uses burial ground) this law still impacts all cemeteries.

**IC 14-21-1-27**
A person finding human remains must notify Department of Natural Resources – Division of Historic Preservation and Archaeology within two days. Reburial will in compliance with state laws.

**IC 14-21-1-28**
Makes it illegal to disturb the ground for the purpose of discovering or removing artifacts, burial objects, grave markers, or human remains without a plan with the Department of Natural Resources – Division of Historic Preservation and Archaeology. Temporary rule allows for non-scientific investigation in a cemetery to allow for probing in order to conduct tombstone preservation.
