Accelerated Master Naturalist Workshop Starting at Fort Harrison State Park

The Friends of Fort Harrison State Park is hosting an accelerated Indiana Master Naturalist Class June 23 – 27 at Fort Harrison State Park.

The workshop is designed for teachers, environment educators, and others who cannot attend a typical eight-week long course.

Cost for the class is \$85 for the general public or \$80 for members of the Friends of Fort Harrison. Registration is limited to the first 30 applicants; the deadline for registration is end-of-business on Saturday, June 14. Space for the class is reserved on a first-come first-served basis when the class fee has been paid.

There are 9 different sessions on natural history for this Accelerated IMN class. Each session begins at 9a and ends 4p. Registrants should dress to be outdoors and supply their own lunch. To graduate from the Indiana Master Naturalist program, participants must attend 8 of the 9 classes and complete 30 hours of volunteer service time to any natural resource organization.

The mission of the Indiana Master Naturalist program is to bring together natural resource specialists with adult learners to foster an understanding of Indiana's plants, water, soils and wildlife; and to promote volunteer service in local communities.

For more information about the Indiana Master Naturalist Workshop at Fort Harrison State Park, please contact Jeff Cummings at 317-591-0122 Wednesday through Sunday, 8a – 4p

Fort Harrison State Park (stateparks.IN.gov/2982.htm) is at 5753 Glenn Road, Indianapolis, 46216.
