Old Time Winter on the Farm

1800's Living Farmstead Day &
Haypress Demonstration

February 1, 2014

12pm – 3pm

Join us for a day of FUN!

As you walk into the Farmstead, you will smell home cooking over the fire; hear the blacksmith's hammer ringing on the anvil, or the sound of laughter as the children play pioneer games; watch as they demonstrate making lye soap, tomahawk throwing, spinning, cooking, woodworking and the sorghum press. Test your skills on the two-man cross cut saw and pioneer crafts. **You do not want to miss it!**
