

Chasing Clouds Kids Triathlon

Chasing Clouds Kids Triathlon is hosted by Prophetstown State Park and welcomes participants ages 6-12 years old to a fun morning of swimming, biking, and running. The swimming portion has a fun twist because it's held at the aquatic center, and that means you're not just swimming, you'll be going down the tube slide too!

Proceeds benefit Prophetstown's Interpretive Services Fund for Education, Arts, Culture and History Programs.

Participants will be signed up for a drawing of fun prizes including Wolf Park Family Membership and more!
