

VIRGIL I. "GUS" GRISSOM DAY SATURDAY, JULY 19

SPRING MILL STATE PARK
INDIANA DEPARTMENT OF NATURAL RESOURCES

8:00- 4:00pm Outreach to Space

Interactive space-related displays are on loan from the Evansville Museum; swing by and check them out! Ever wonder how much an apple weighed on another planet?

10:00- 3:00pm Space Crafts

Stop by the craft table at the Grissom Memorial to enjoy one or all of our several crafts that will be put out throughout the day.

11:00-12:00pm Cosmic Cuisine

How do you feed a crew of astronauts on a space journey? Stop by the Grissom Memorial to try a few space food items!

2:00pm Guest Speaker: Steve Grissom

Steve is speaking about manned space flight and Gus's role in the space program.

3:00 to 4:00pm Grissom Artifacts

Get a more intimate look into our hometown hero's life by seeing artifacts that aren't normally on display! Grissom Memorial

5:00 to 6:00pm Bottle Rockets

Stop by the Grissom Memorial Office parking lot to see how high you can make a water bottle rocket fly!

9:30pm "Star Party" with the Stonebelt Stargazers.

A local astronomy group will be bringing their telescopes and expertise for an evening of stargazing. Pool Parking lot.
