

STAR PARTY!

3-5pm Sungazing at Turkey Run

State Park – Look in front of the nature center for members of the Wabash Valley Astronomical Society & their large telescopes, & see the sun through powerful but safe lenses.

8:30-9:30pm Star Stories &

Crafts at Shades State Park – Join us at the State Park with the darkest night sky in Indiana to hear interesting star legends and make fun crafts! Come see a real meteorite and take one home with you! To find us, turn right inside the gatehouse and drive straight ahead to park along the new road.

10pm-1am A Night Under The

Stars at Shades State Park – Join amateur astronomers from the Wabash Valley Astronomical Society for an incredible evening of star gazing. Multiple large telescopes will be positioned for your viewing pleasure, with naturalists standing by with powerful laser pointers to help you find your way around the constellations. Bring lawn chairs and blankets and stay a while, or just drop by to sample the knowledge of the astronomers and the variety of telescopes. To find us, turn right inside the gatehouse and drive straight ahead to park along the new road.
