Watch for turtles, many females looking for a place to lay eggs. Give them space, they're on a mission! 😊

## Program information:

Backyard Birds: How to identify some common backyard birds. NC

Buck-toothed Builders: A program about beavers and their fascinating adaptations! See if you have what it takes. NC

Buggy Bingo: Join your friends for a creepy crawly game of bingo! NC

Craft of the week: On our slow days, stop by and create something fantastic! NC

Craft for Dad: come to the NC to make a great gift for the dads in your life NC

Edmonds Cemetery Hike: Meet at the Youth Tent Area parking lot for a 20 minute walk to the newly restored pioneer cemetery.

Fishing Golf: A game that blends casting with golf, with some fish identification thrown in. Fun for the whole family! Amphitheater or nature center area.

Geocaching 101: Get acquainted with the high tech game of hide-n-seek with a GPS. NC

Indiana Insects: Have fun learning about insects and go on a bug hunt! NC

Lost Ladybugs: Join the Lost ladybug Project and be a citizen scientist! Search for rare and native ladybugs with us!

Nature Break at the pool: On the 20 min. safety break, join us for a game or craft. P

Nature Bingo: Score 5 in a row to win! NC

Nature Journals: Create a cover for your journal then relax and write or draw. NC

Owl Prowl: Join us as we hoot for the Barred Owl on this easy hike. NC

Playing Possum: All about these misunderstood mammals and a cute craft. NC

Raccoon Rascals: Learn the facts about this common nocturnal mammal. NC

Scavenger Hunt: Find the items on the list, score yourself a prize! NC

Sensing the Night Hike: A leisurely hike to explore our senses at night. CG 1.5 miles

Solar Cooking: See how simple it is to bake in a solar oven. Sample some treats, too! NC

Star Party: star charts, planets, telescopes and fun! Bring a blanket or lounge chair and a small Flashlight. Meet at the Sweet Gum Recreation Field (near the pool) 9-11 pm

Trail 5 Trek: Meet at the campground gate house for a walk down trail 5 to see what's happening

Turkey Vultures: A great disgusting program for dad and kids... these Turkey Vultures have an important job to do, find out what and see if you have what it takes to succeed as a vulture.

Caution; gross and tons of fun!! NC

Wild Edibles: Discover what is and what isn't edible in the forest. CG(camp gate)

Wild About Water Colors: Let your creativity flow with paint and water! NC

All programs are free and open to the public unless otherwise stated. Please attend with children under 12 on hikes and programs away from the Nature Center. The building is not always staffed, for safety please make your children your responsibility.

Please make prior arrangements for any school, church or scout groups wanting a specific program. Call Amelia at (812)682.3658 or ask for a brochure.
