

Johnson County, Indiana Bedrock No Aquifer Material or Limited Data

Shapefile

Tags

Johnson County bedrock no data zone

Summary

There is no summary for this item.

Description

This file is a digital geospatial polygon coverage showing an aerial extent within Johnson County, Indiana where there is either a lack of quality data, or there is limited to no aquifer potential resulting in the inability of the author to represent static water level contours. Therefore, potentiometric surface elevation contours have not been extended through these areas.
