Final Report for 2022-2023

The 2022-2023 program data for students residing in delinquent institutions is currently being collected. Our records indicate that «LEA» received a Title I, Part D Subpart 1 or 2 grant award for Title I services in one or more delinquent institutions in 2022-2023. Completion of this report is to document the program activities and student outcomes for the 2022-2023 school year. As an update from last year, every field on the JotForm is now required. If the data is unknown, please enter “unknown”. If zero students were reported, please enter “0”. These two responses are not interchangeable, so please ensure the data you intend to enter is being reported. You can find the CSPR (Consolidated State Performance Report) Guidance Document on our [Moodle page](#) when you scroll down to the guidance document section.
