

SAT MILESTONES: 2025-2026

Task/Event	Date
Before Testing	
Fall Corporation Test Coordinator (CTC) Orientation College Board will provide an orientation training in the fall to serve as an overview of Fall 2025 PSAT/NMSQT testing and Spring 2026 SAT School Day accountability testing.	Monday, August 18, through Friday, August 22
School Test Coordinators (STCs) Complete College Board's School Onboarding Process Each school's STC or CTC must be identified as the primary point of contact for 2025-2026 SAT School Day testing to help ensure a successful administration.	September - October
Submit <u>Off-Site Testing Request Form</u> Schools must submit their plans to test students off site.	Monday, November 3, to February 16, 2026
SAT STC Workshop #1 This workshop will provide an overview of policies, procedures, test administration timelines, available resources, and communication planning prior to Spring 2026 SAT School Day testing.	Early December
College Board's Interactive Coordinator Checklist Available STCs gain access to College Board's interactive checklist containing all tasks and deadlines for the spring 2026 test administration.	Monday, December 1
Services for Students with Disabilities (SSD) Coordinator Webinar STCs must appoint an SSD Coordinator within SSD Online. The SSD Coordinator will complete this training to ensure accommodations are successfully administered for the SAT School Day.	Tuesday, December 2
Technical Readiness Webinar This webinar will provide Technology Coordinators with an overview of the digital testing platform, system requirements, and a digital readiness timeline.	January 6, 2026
State Allowed Accommodations (SAAs) Request Window Schools must request SAAs for any students that require them.	January 9 through February 9, 2026

*Some dates are approximate and are subject to minor changes.

SAT MILESTONES: 2025-2026

Task/Event	Date
Before Testing	
Deadline to Submit College Board Approved Accommodation Requests & English Learner (EL) Extended Time This deadline ensures that accommodations are requested in time to be reviewed before testing. Extended time support for EL students must be requested in SSD Online but does not require approval.	January 12, 2026
College Board's Required Online Training Available This training is required for all STCs, proctors, and technology monitors. STCs have the option to train proctors and technology monitors in person, or proctors and technology monitors can complete the online training online individually. Hall and room monitors can review a College Board-provided PowerPoint to meet their training requirement.	Week of January 26 through February 23, 2026
Access to College Board's State Data Management System (SDMS) STCs, CTCs, and SSD Coordinators gain access to SDMS to manage student registration.	January 28, 2026
Access to College Board's Test Day Toolkit STCs gain access to Test Day Toolkit and may add other test staff as needed.	Week of February 2, 2026
SAT STC Workshop #2 This workshop will provide an overview of student readiness, required online training, testing timelines, available checklists, irregularity reports, and post-testing activities.	February 11, 2026
Conduct Student Readiness Activities Students can opt in to BigFuture School and Connections as well as send up to four free score sends to colleges of their choice. STCs should collaborate with Technology Coordinators to conduct final student readiness activities prior to spring testing.	Week of February 16, 2026
Paper Testing Materials Shipments Paper testing materials will be shipped to approved paper-testing schools, students with approved accommodations in SSD Online, and schools with individual students approved for paper testing due to special circumstances.	Week of February 16 through March 12, 2026
SAT Q&A Sessions IDOE will host two Q&A sessions for educators to address questions regarding the administration of the Digital SAT School Day prior to the operational testing window. These webinars will be recorded and available following the sessions.	February 17, 2026, 8 to 9 a.m. ET February 24, 2026, 3 to 4 p.m. ET
Translated Test Directions Available Updated versions of SAT School Day translated test directions become available for ELs.	February 23, 2026

*Some dates are approximate and are subject to minor changes.

Task/Event	Date
During Testing	
Testing Window Students in cohort 2027 will participate in the testing window.	March 2, through March 13, 2026
After Testing	
Material Return Deadline This is the last day to return paper SAT test materials.	March 13, 2026
Educator Score Release Scores are available to educators via their College Board accounts.	March 31, 2026
Student Score Release Scores are available to students via their College Board accounts.	April 2, 2026
SAT Data and Reporting Training College Board provides training over the K-12 Reporting Portal to assist educators in navigating and interpreting SAT School Day scores.	June 2026

*Some dates are approximate and are subject to minor changes.
