INDIANA DEPARTMENT *of* **EDUCATION**

Reporting Requirements

In accordance with Indiana Code (IC) 20-30-16-12, the Indiana Department of Education (IDOE) is submitting the following report to the Interim Study Committee on Education with the following information regarding the Indiana Course Access Portal. This report must include the following:

- The number of authorized course providers;
- The number of approved course access program courses and the number of students enrolled in each course;
- The number of approved course access program courses available by subject matter;
- The number of students participating for the first time in approved course access program courses;
- The number of approved course access program courses each participating student is taking; and
- Student outcome data, including: (A) course access program course completion data; (B) student growth, performance, and growth to proficiency; and (C) student performance on state- or nationally-accepted assessments by subject area for each course provider. (There is no growth or assessment data for the iCAP courses.)

Introduction

The Indiana Course Access Portal (iCAP) provides students in Indiana with options for taking online courses from a collection of offerings maintained by IDOE, in partnership with authorized course providers. Indiana school corporations can use these virtual opportunities in a variety of situations, including:

- Supplementing student schedules with desired courses;
- Addressing staffing challenges that may otherwise limit the range of courses a school can offer; or
- Expanding the range of courses offered at the local corporation or non-public school.

Schools and iCAP course providers are encouraged to work together for the success of enrolled students, as this collaboration is key to students' successful course completion. During the 2021-2022 school year, there were 3,968 enrollments by 2,393 unique students across 104 courses offered by four providers. These students came from the following 161 Indiana school districts outlined in Table 1.
