Responsibility Contact List

If a School Food Authority (SFA) or Residential Child Care Institution (RCCI) contracts the management of its Child Nutrition Program (CNP) with a Food Service Management Company (FSMC) or Vended Meals Vendor, the SFA remains responsible for the overall operation of the CNP. This responsibility requires that the SFA maintain direct involvement in the operations of and retain title to all USDA Foods. The SFA **cannot** delegate certain responsibilities to the FSMC. FSMC employees are not permitted to be listed as contacts for the SFA. This contact list must be current and maintained as a part of recordkeeping.

SFA staff are responsible for completing this form. FSMC personnel are not permitted to complete this form on behalf of the SFA. It is required for SFAs to submit updated contact lists to IDOE for all renewals, reviews, and SFA staffing changes.
