**Course Description:**

Did you know that every decision you make is an economic decision? From the moment you wake up in the morning until you go to bed at night, you are making economic choices. You may already feel that you can make a good choice, but some of the most important decisions of your life are still ahead of you. AP Microeconomics gives you the tools you will need to make the most of your decisions. You will learn about how people, businesses, and even governments make the most out of what they have. Learn how you can do the same and get ahead of the game. You never know where this knowledge may take you!
