

Provider:

IU High School Online

Course Code:

3087

Content Area:

Science

Course Delivery:

Online

Enrollment Type:

Non Continuous

Enrollment Deadline:

December 12, 2025

Course Description:

AP Physics C: Electricity and Magnetism is a course based on the content established and copyrighted by the College Board. AP Physics C: Electricity and Magnetism is equivalent to a second-semester college course in calculus-based physics. AP Physics C: Electricity and Magnetism provides instruction in each of the following six content areas: electric charges and fields; electric potential; conductors and capacitors; electric circuits; magnetic fields and electromagnetism; and electromagnetic induction.
