Course Description:

This semester course is designed to introduce the non-specialist to the world of art and visual culture. Its emphasis will be on viewing and understanding works of art and visual culture within cultural, thematic, and historical contexts. We will discuss the purposes and themes of art, analyze objects and learn to talk and write about what we see. Learning a new visual vocabulary will enable us to analyze and to understand a variety of different styles, periods, cultures, and media, as well as to become familiar with the terminology used in speaking and writing about art.
