Course Description:

In this course, you'll learn about first aid, responding to life-threatening situations, and performing CPR. You'll explore crime scene investigations by learning how to secure a scene, collect fingerprints, and write clear reports using note-taking and interview skills. The course also covers how officers handle high-risk situations and use critical thinking to solve problems and resolve conflicts. Lastly, you'll understand what DUI, DWI, and OWI mean, how officers detect impaired drivers, the effects of alcohol and drugs on driving, and the legal consequences in Indiana. By the end of the course, you'll know how law enforcement helps keep communities safe through quick thinking, emergency care, investigation, and cultural awareness.
