Course Description:

This course is designed to further student knowledge of Spanish vocabulary, grammar, and culture. The main focus of this course is to learn and use the two past tenses in Spanish along with the future and conditional tenses, the past and present perfect tenses, and commands. Along with learning the tenses, students will practice conversations and focus on listening, reading and cultural activities. Activities vary during this course from reciting poems, listening to Spanish music, watching video clips to reading authentic materials in Spanish. Students will complete projects that demonstrate mastery of the tenses.
