Course Code:

4558

Content Area:

CTE: Business, Marketing, Information Technology, Entrepreneurship

Course Delivery:

Online

Enrollment Type:

Non Continuous

Enrollment Deadline:

September 1 for first semester and February 1 for second semester

Course Description:

US and Global Economics is a business course that provides students with an understanding of their role as consumers and producers in domestic and global economies. This course enables students to understand how the economic system operates while comprehending their role in that system. Students deal with public policy, international economics, microeconomics, and macroeconomics in comparing economic systems and using selected economic measures.

- Recommended Grade Level: 11, 12
- Recommended Prerequisites: none
- Credits: 1 semester course, 1 credit per semester
- Counts as an Elective for all diplomas
- Fulfills the Economics requirement for the Core 40, Core 40 with Academic Honors, Core 40 with Technical Honors and International Baccalaureate diplomas,
- Fulfills a Social Studies requirement for the General Diploma
- Qualifies as a quantitative reasoning course

The teacher will provide online and personal instruction throughout the semester through the course Message Center, email, phone calls, or video conference.
