Hello Mr. Wakeman or designated Small Business Ombudsman,

An agency is supposed to submit their proposed rule if the rule imposes costs or requirements on small businesses (see IC 4-22-2-28; IC 4-22 2.1-6). Attached is the Regulatory Analysis that was published in the IR as well as the Notice of First Public Comment Period that contains the text of the proposed rule. This proposed rule has no fiscal impact and does not impose any requirements or costs on any business, but in order to comply with the Attorney General's request, please review the attached documents and give a response that shows the rule was received and reviewed by the Small Business Ombudsman, and provide any comments you may have.

Thank you,

Natalie Chida
