Tax Amnesty 2026 is happening now

Taxpayers are now able to sign up for Tax Amnesty 2026 and pay their amnesty balance in full or set up an amnesty payment plan.

DOR is partnering with United Collection Bureau (UCB) for this limited-time opportunity for taxpayers to pay past due, eligible taxes and receive a waiver on related penalties, interest, and collection fees. Key elements of Tax Amnesty 2026 include:

- **Timeframe:** July 15 through Sept. 9, 2026
- **Qualifications:** Liabilities for all listed tax types managed by DOR or Motor Carrier Services for tax periods ending prior to Jan. 1, 2024

Tax amnesty participation requires agreeing to amnesty terms and either paying the base tax in full or setting up a payment plan before Sept. 9, 2026. Amnesty payment plans must be completed according to their terms by June 7, 2027. Taxpayers can call UCB at 888-782-5985 or access INTIME to pay their eligible liabilities in full or set up an amnesty payment plan.

Estimated Taxes are due soon

While many customers have enough state taxes withheld from their income throughout the year to cover their year-end total tax due, some make quarterly estimated payments to reduce the amount due when filing their income tax return. The third estimated tax payment installment for 2026 is due Tuesday, Sept. 15.

More information, including payment options, is available on the [Estimated Payments webpage](#).
