

**SYNOPSIS OF 2015
LEGISLATION
AFFECTING THE
INDIANA DEPARTMENT
OF REVENUE**

**Tax Policy Division
June 10, 2015**

INTRODUCTION

This synopsis contains a list of legislation passed by the 2015 Indiana General Assembly that affects the Department of Revenue.

How This Synopsis Is Organized

This synopsis has been divided into two parts. Both parts present the same information, but they are organized differently. The first part is organized according to tax type; the second part is organized by bill number. This way, readers can search for information in whichever way suits them best. If you're looking for new legislation pertaining to cigarette tax, look in the first part for the section labeled "Cigarette and Other Tobacco Taxes." If you need to know which provisions in House Enrolled Act 1001 affect the department, and how, look in the second part for that bill.

For each piece of legislation, we've provided a heading (the relevant tax type in the first part; the enrolled act number in the second part), a short summary of what the legislation says, the date it goes into effect, and the affected Indiana Code cites.

In addition, in the first part, we've included the House or Senate enrolled act number so you'll know in which bill you can find that piece of legislation. Because the second part is organized by enrolled act number, we've simply included the SECTION of the bill where you can find that piece of legislation.
