

## ORDERS FOR LETTING DOCUMENTS

Effective this date, all orders for letting documents will be filled in the order received. We have been experiencing many requests for pick-up orders which delays filling previous orders. Orders are filled as quickly as possible and shipped by United Parcel Service (UPS). Orders shipped by ups within 150 miles from Indianapolis, in most cases, are delivered the next day.

Pick-up orders and telephone calls to the order desk or shipping room inquiring about an order takes time away from those processing orders. During the first week of the advertisement cycle, orders may take up to a week to process because of the volume of orders received as soon as the advertisement is issued. Inquiries about orders only delay processing. With your patience and cooperation, we can better serve our customers.

The Indiana Department of Transportation hereby notifies all bidders that minority business enterprises will be afforded full opportunity to submit bids in response to the invitation and will not be discriminated against on the grounds of race, color, sex, or national origin in consideration for award.
