AFFIRMATIVE ACTION CERTIFICATION

I do hereby certify that it is the intention of my company to affirmatively seek out and consider certified DBEs to participate in this contract as subcontractors, lessors, or supplies of materials or services.

I understand and agree that all subcontracting or leasing in connection with this contract, whether undertaken prior to or subsequent to award of contract, will be in accordance with the requirements for the Disadvantaged Business Enterprise Program, included elsewhere in this contract. I understand and agree that no subcontracting will be approved or commenced until the Department has reviewed and approved the affirmative actions taken by my company or me.

I understand that utilization of certified DBEs is in addition to all other equal employment opportunity requirements of this contract.

I acknowledge that this certification is to be made in integral part of this contract.

I understand and agree that the submission of a blank certification shall cause the bid to be rejected.

I hereby certify that contact has been made with the certified DBEs listed in this certification. If my company becomes the Contractor, the certified DBEs have tentatively agreed to perform the services. I understand that the line for Total Dollar Amount of Anticipated Voluntary Additional DBE Work is to show the amount of work I expect to provide to other DBE firms beyond the work required to meet the contract goal. I understand that these voluntary additional DBEs do not have to be listed individually. I also understand that neither my company nor I will be penalized for amounts achieved over or under the amount shown for voluntary DBE utilization anticipated over the goal. However, INDOT may request explanation for any variances.
